## HYBRID DESKSIDE OFFICE SHREDDER

Kobra Hybrid carries the latest development in Power Management Systems. An exclusive technology allows the operation with stored energy and auto shut-off from the main power supply when shredding is completed for zero electrical consumption. A reliable and durable mechanism with a 24 hour continuous duty motor offering unparalleled performance along with the most attractive design and LED technology.

**EXCLUSIVE HYBRID TECHNOLOGY:** utilizes stored energy for saving power  
**24 HOUR CONTINUOUS DUTY OPERATION** without overheating  
**CUTTING KNIVES:** carbon hardened steel, accept staples, credit cards and clips  
**START & STOP:** automatic start and stop  
**SAFETY STOP:** automatically stops during emptying of waste bin  
**ECO-FRIENDLY:** does not require plastic bags  
**CONVENIENT** entry opening for easy feeding of paper and credit cards  
**FRONT WINDOW:** transparent front window to check the shred level  
**DIMENSIONS (WxDxH):** 37x26x50 cm  
**WEIGHT:** 9 Kgs

**24** 24 hour continuous duty operation

**Cross Cut**  
3,5 x 40 mm  
P-4 Security Level

**Automatic**  
start & stop

**Shreds up to 14**  
sheets at a time  
and credit cards  
(see model specifications)

**230 mm**  
throat width

**30 Lt**  
waste bin
